The Blackfoot Broncos are continuing there strong tradition and feel that it is necessary to build interested young athletes and expose them to the future of Bronco Football. This will be the non contact camp including the development of speed agility and fundamentals. Student athletes will be competing against there age and class. This camp involves grades 3<sup>rd</sup> through 8<sup>th</sup> grade. Last year was a record year for enrollment and we plan to build for our future. This camp will be operated and coached by College and High School players along with Blackfoot staff. There will be competitive prizes awarded along with development of individual and team concept. We as a staff at Blackfoot are very excited about next season and the future it is our job as a community to continue to strive for excellence and we want everyone to be a part of this effort.
